2. How to find Hough Mill, Gorse Field, Califat Spinney

The address of these sites is:

Off St George's Hill,

Swannington,

LE67 8QW

The post code is for the row of houses on the east side of St George's Hill.

Directions from the north.

Proceed to the Peggs Green roundabout on the A512 Ashby to Loughborough road.

Head down St. George's Hill.

After 100-200 metres, take the second track on the right, next to the Hough Mill sign.

Directions from the south.

Proceed to the Hoo Ash island on the A511 Ashby to Coalville road.

Head north through Swannington.

On leaving the village ascending St George's Hill, take the track on the left next to the Hough Mill sign.

3. How to find Swannington Incline, Snibston No 3 Coal Mine

The address of these sites is:

Off Spring Lane,
Swannington,
LE67 8QR

The post code is for the three houses next to the Snibston No 3 site.

Directions from the north.

Proceed to the Peggs Green roundabout on the A512 Ashby to Loughborough road.

Proceed down St George's Hill into Swannington.

After about a mile, turn left at the Robin Hood and head up Spring Lane.

The sites are at the top of the hill.

The Incline is to the north of Spring Lane and Snibston No 3 to the South.

Directions from the south and west.

Proceed to the Hoo Ash island on the A511 Ashby to Coalville road. Head north through Swannington.

On leaving the village ascending St George's Hill, take the track on the left next to the Hough Mill sign.

At the bottom of Station Hill, turn right at the Robin Hood and head up Spring Lane.

Directions from the south and east.

Proceed along Stephenson's Way which is the Coalville bypass to the roundabout with MacDonaldis, KFC and Stephenson's College.

Turn north along Thornborough Road and take the first left after the college, turning into Spring Lane.

The sites are next to the Swannington parish signs.
