

Swannington Census 1911 - Tan Yard

Tan Yard mothers had given birth to 39 children, 26 were living, 13 had died, mortality rate = 33.3%

For comparison, this was double the Main Street mortality rate, emphasising the poverty and cramped living conditions in Tan Yard

Main Street mothers had given birth to 296 children, 247 were living, 49 had died, mortality rate = 16.6%

Note - some of the deaths may have been adult children
