

MEMBERSHIP APPLICATION FORM

Swannington Heritage Trust was formed in 1984 to preserve sites of industrial and environmental interest, in and around the village, for the benefit of present and future generations. Our sites include:

- The Swannington Incline - the final inclined section of the Leicester to Swannington Railway, one of the first railways in the world, adjacent to our Snibston No 3 mine site.
- Hough Mill – an 18th century windmill under restoration
- The Gorse Field – an area of ancient unfarmed heathland with evidence of mining way back to the Middle Ages.
- Califat Spinney – the site of a 19th century mine

We always welcome new members and are looking for new volunteers to assist us in our efforts. We also welcome any donations to assist us in maintaining our properties for the future.

Our annual membership fees cover from April to March.
